BRICK SERIES – MODULAR
BLOCKS FOR HARD CASES

Build a clean, high-density layout with the CRDBAG BRICK Series. Sized in Full Brick and Half Brick to nest perfectly inside popular carry-on hard cases, each pouch uses a durable 900D nylon + TPU/mesh laminate with water-resistant YKK Aquaguard zippers. A clear window and label panel (CRDTABS-ready) give instant ID, while loop areas accept patches for quick category tagging. Stack, align, and repack on repeat—your case stays tidy and mission-ready.

ONE HAND, ~1 SECOND, NO FUMBLING
Built for rapid deployment when seconds matter. Both holders use laser-cut E-Hypalon with a CRDBAG MAGLOCK MOLLE buckle for one-hand attach/detach. A traditional MOLLE ladder with webbing locking strap keeps the mount low-profile and secure on vests, packs or belts.
